

歌詠

紅日之歌

Brother Sun, Sister Moon

- 紅日兄, 晚天眾星,
- 光輝兼脫穎, 夜掛皓月明;
- 盡責職稱, 高空精彩作證.

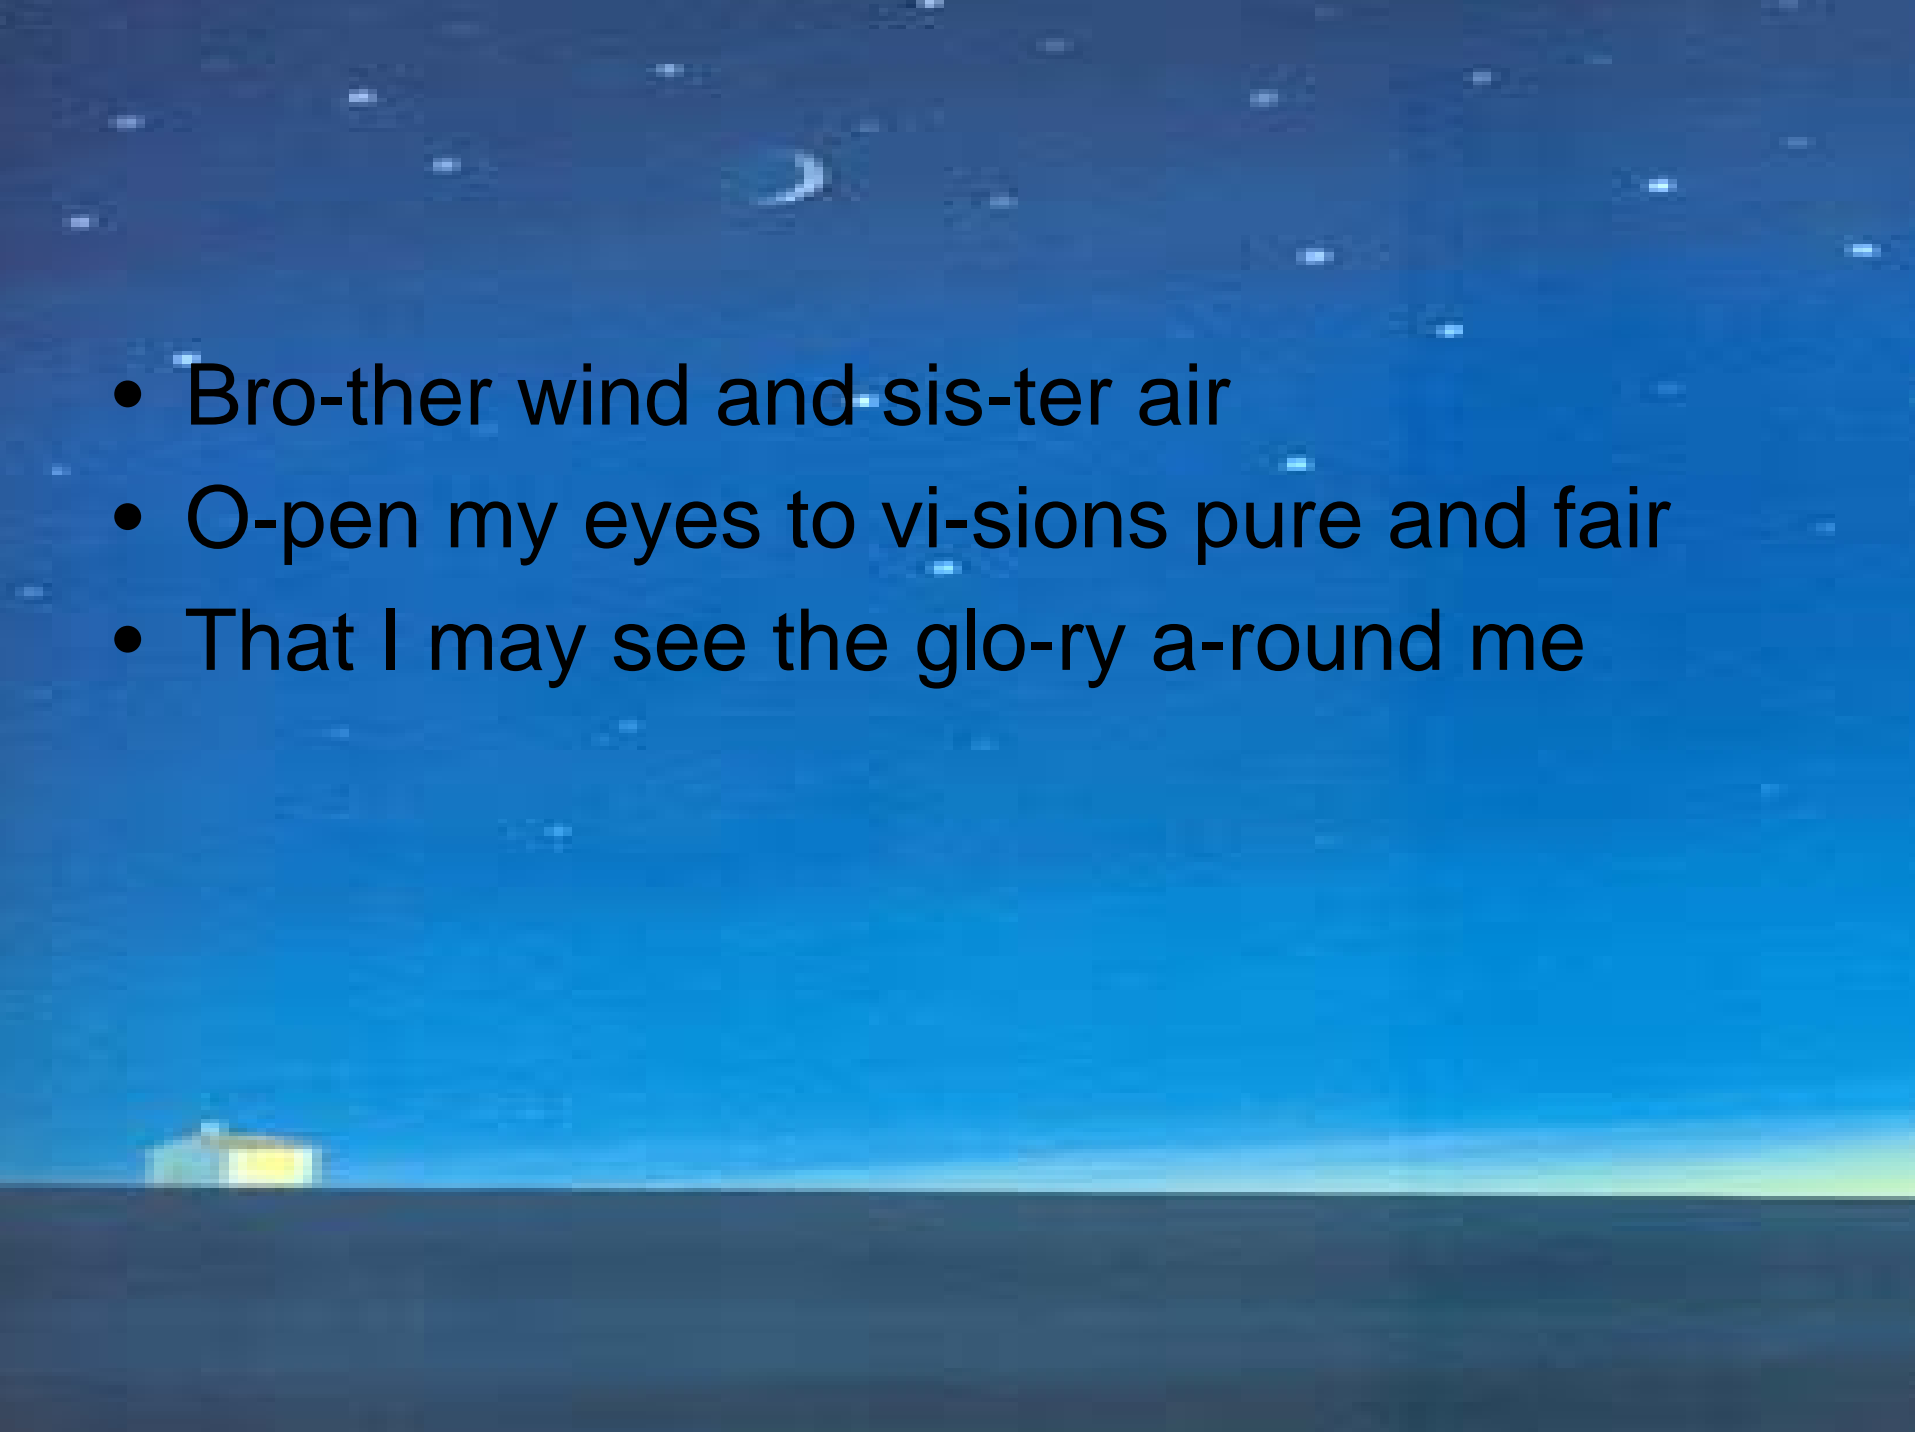

- 
- The background of the slide features a bright sun in a clear blue sky, positioned in the upper left quadrant. Below the sky is a vibrant green field that occupies the bottom half of the image. A small, dark green tree is visible on the horizon line, slightly to the left of the center. The overall scene is bright and cheerful.
- 雲霧風,暖春冷冬,
 - 水謙虛有用,勁火照夜紅;
 - 地母苦工,生產花果進貢.

- 痛苦釋寬恕,因愛主所賜;
- 修好博施,榮冕獲贈無疑.
- 塵俗悲,旅居怕死,
- 蒼生怎遠避?罪惡萬丈離.
- 頌讚謙卑,謝主終生托庇.

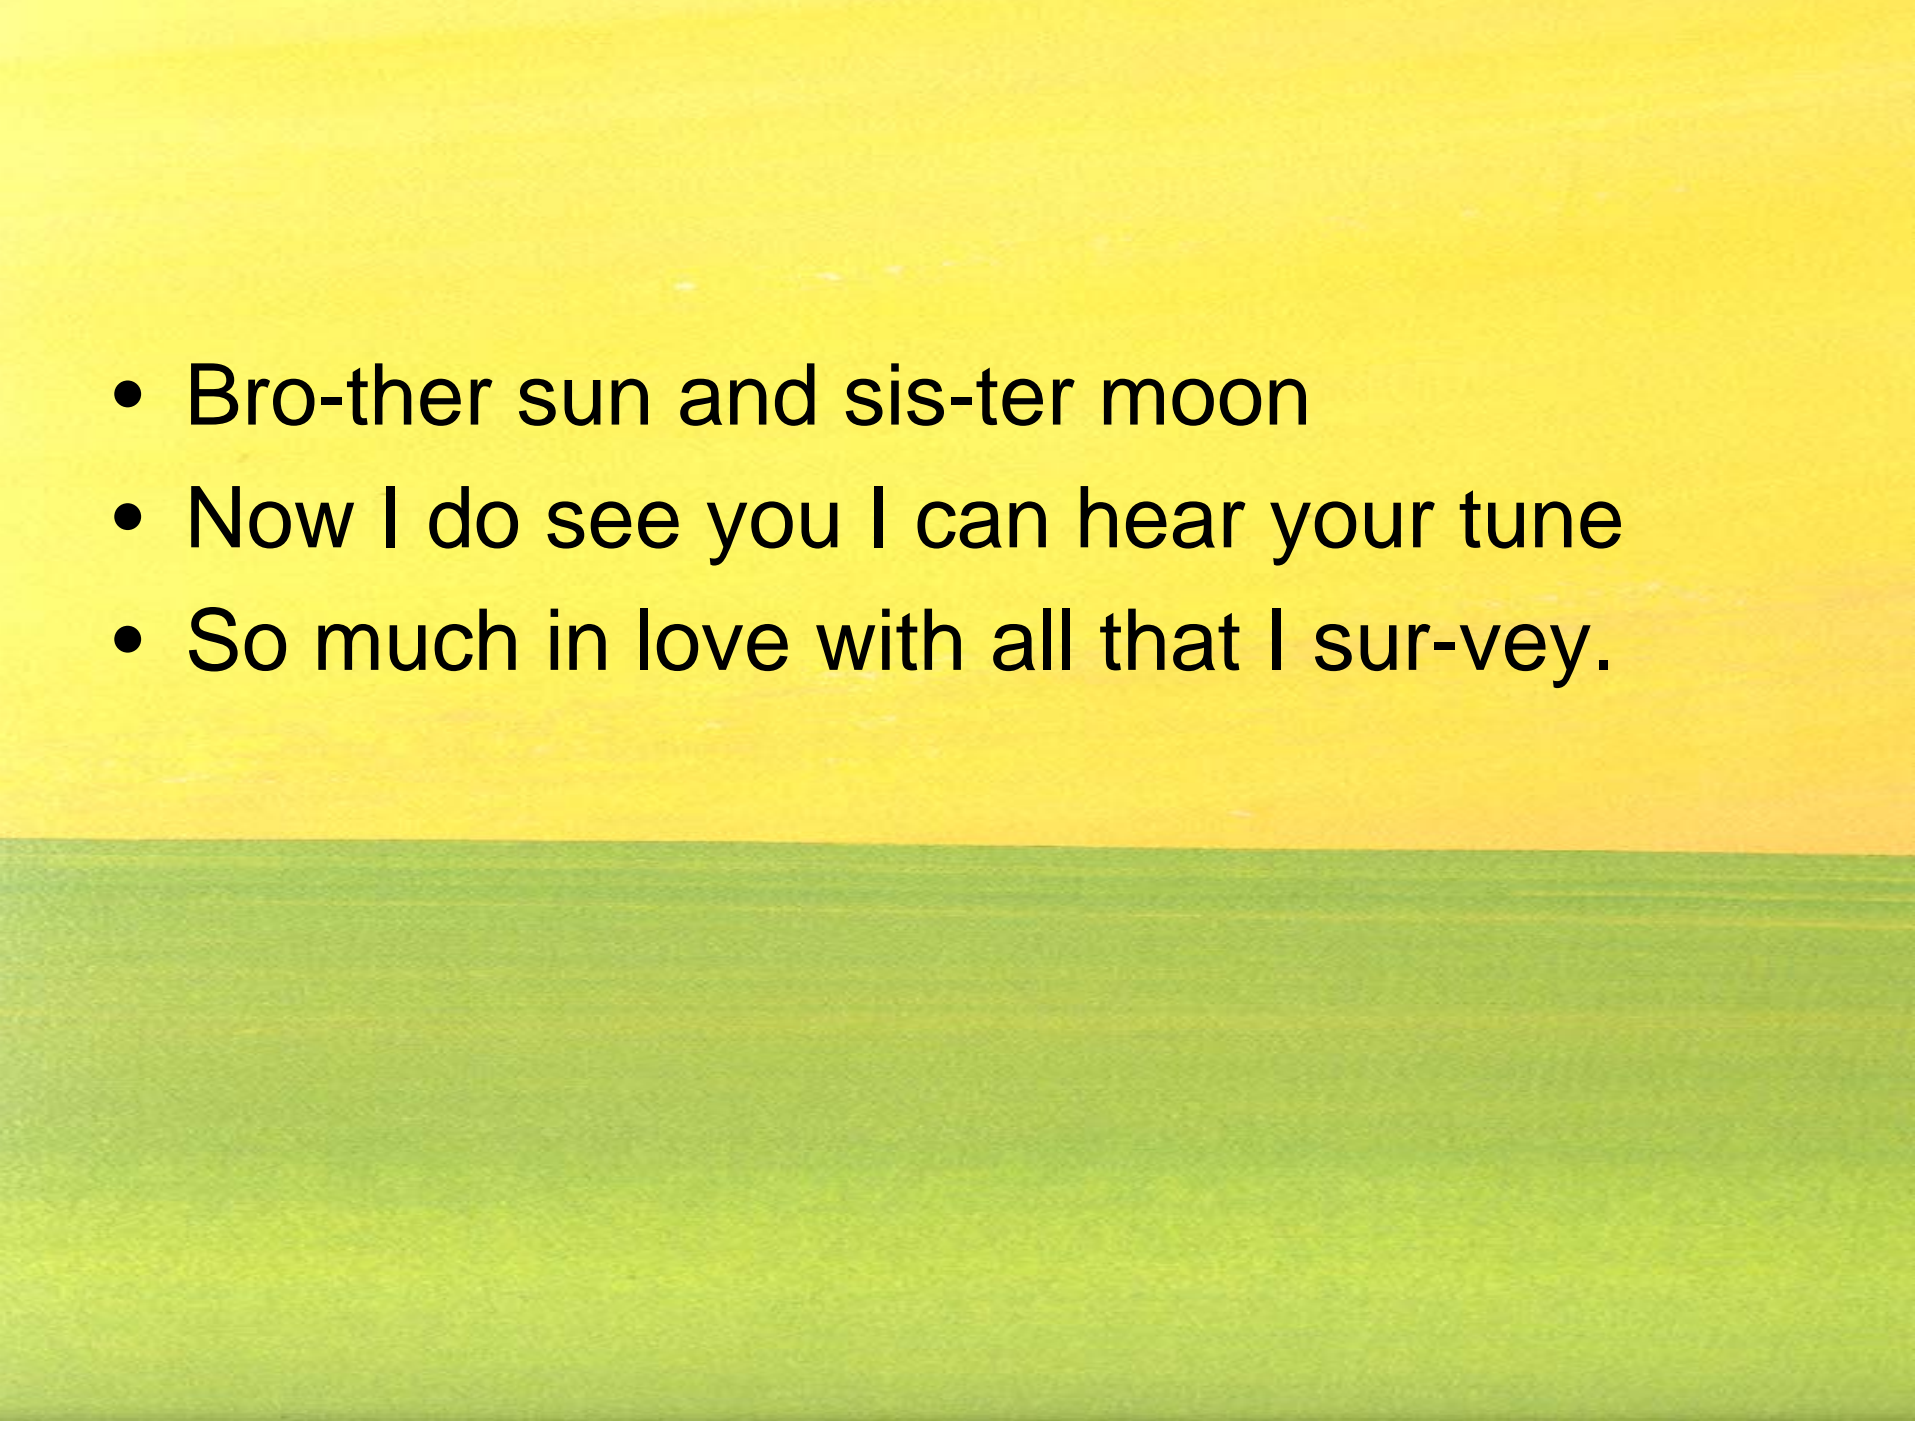

- Bro-ther sun and sis-ter moon
- I sel-dom see you
- sel-dom hear your tune
- pre-oc-cu-pied with self-ish mi-se-ry

- 
- The background of the slide is a deep blue night sky filled with numerous small white stars. A thin, white crescent moon is visible in the upper left quadrant. At the bottom of the image, a dark, flat horizon line separates the sky from a dark, silhouetted ground. On the left side of the horizon, a small, simple house with a yellow roof and walls is visible, appearing to glow against the dark background.
- Bro-ther wind and sis-ter air
 - O-pen my eyes to vi-sions pure and fair
 - That I may see the glo-ry a-round me

- I am God's crea-ture of Him I am part
- I feel His love a-wa-ken-ing my heart

- 
- Bro-ther sun and sis-ter moon
 - Now I do see you I can hear your tune
 - So much in love with all that I sur-vey.
